Hi Neighbor,

A great fence makes both of our yards better. I noticed that the one between us currently needs to be replaced, so I searched and found a local company, Tim's Fences (timsfences.com), with high customer ratings. They've completed over 10,000 projects and offer plenty of options to replace the fence dividing our properties.

I have reached out to Tim's Fences and received a quote for a new fence. Please let me know if you have any questions.

If you're not able to contribute to the cost of the fence, I understand. Please let me know if you have any concerns about replacing the fence.
